

CONSENT:

IMPORTANCE OF ASKING CONSENT & BODY BOUNDARIES:

- Helps a child's **growing sense of SELF**.
- Helps them gain **confidence**.
- Learn how **others are expected to treat them**, which can prevent physical/sexual abuse & bullying.
- Gives a child the **right to their own personal space** & gives the child ownership & choices as to what happens to their own body.
- The understanding to **respect other individual's body boundaries & asking for their consent**.
- Helps when kids have **arguments with friends or siblings**.
