

FINAL THOUGHTS ON PUNISHMENTS & REWARDS:

**Our children
mustn't need to
work for our love
& to belong in our
home.**

**Children KNOW
what is
unacceptable.
What they need is
our HELP.**

**One day our kids
won't care about our
punishments or
rewards; the only
thing that will
remain is the
relationship we
build.**

**Kids don't live
our good
intentions
behind our
actions; they only
live our efforts.**

**Set boundaries
when needed
instead of
punishments &
rewards.**
